TO WHOM IT MAY CONCERN:

I've had the pleasure of working with Lawrence Spector in the capacity of booking him as solo entertainment at Cafe Aroma. What strikes me most is Lawrence's professionalism in every way. His music is superb which takes you on a magical journey of the heart! His classical music with a Latin flair comes through, both in original and traditional form.

I can always count on Lawrence to show up on time and be mindful of our busy restaurant activity during the course of his playing. We particularly enjoy his playing on Sunday morning where people are unwinding from their weekend and can simply enjoy hearing Lawrence's music.

Cafe Aroma is "Idyllwild's hippest and funkiest dining establishment....Music is one of the cafe's cornerstones, and features an amazing array of talented musicians, known locally, regionally and nationally. It's no wonder that, among musicians, Cafe Aroma's outdoor stage is known as the Madison Square Garden of Idyllwild." See www.cafearoma.org

I highly recommend Lawrence for most any musical venue. He's sure to delight his audience!
